Hi there! I'm Sabrina and working at the Savoy Recreation Center has superceded my expectations! I thought I was simply gaining a free membership by working a few nights a week. As it turns out, I have gained an additional family! The staff here is 1 in a million! I also have the best time with the kids at camps held here. (They always seem to bring out the kid in me!) Becoming a night supervisor has given me hands on experience on how to be relevant with members and guests as I hope to someday own my own gym. So this is a big help towards that dream. If you have time, stop by and say hello. If you have fitness questions, by all means, share; for then you'll be truly speaking my language! Thanks again, SRC! Sabrina

'Tis the Season!

It is Savoy Recreation Center's policy to let everyone know to bring in a second pair of clean shoes before entering our facility.
